

Academy 360 and Finish Line Youth Foundation are building a playground!

Your help is needed to prepare for this exciting day.

On **Thursday, September 28, 2017**, volunteers from Academy 360 and Finish Line Youth Foundation will build a great new place for kids to play in ONE day. The project is in partnership with KaBOOM!, the national nonprofit dedicated to giving kids the childhood they deserve by bringing play to those who need it most.

**We need 125 community volunteers to make this one day build happen! Volunteers will be on site supporting build day from 7:45a-3:00p.**

No prior building experience or expertise is necessary! Breakfast and lunch will be provided for all volunteers.
