³ "Habitual disruption" is not an independent offense, but rather refers to a classification under state law in which persistent misconduct at any level can result in a student in the 4th through 12th grades being declared "habitually disruptive," for which the student may be recommended for expulsion. Students ECE through 3rd grade are not eligible for designation as "habitually disruptive." See JK-R Section 6-7.

⁴ For these offenses, incidents are to be resolved without the involvement of law enforcement whenever possible. See JK-R Section 3-1(D)2.

⁵ This consequence is required under state law. Discrimination P&R Designee refers to the school-level designee.

⁶ For students in the 4th through 12th grades, Recurring Type One offenses can proceed to Type Two, Type Three, and Type Four but shall never result in referral to law enforcement.

⁷ For Type Four offenses committed by 4th through 12th grade students, if there has been a recommendation for expulsion, or a request for an extension of the suspension period made to the Superintendent or designee through Section 6-6 of this Policy, the principal has the option of extending the maximum three-day out-of-school suspension available under Section 3-1 by up to two days, for a total of five days, if deemed necessary for the safety of the school. See JK-R Section 6-4(I). For students in ECE through 3rd grade, a 1-day out-of-school suspension is the maximum consequence that can be applied. See Policy JK-R Section 6-4 (J).

⁸ For Type Three offenses committed by a student in the 4th through 12th grades, if the student's presence in school presents a danger or severe disruption to the school and its occupants or additional time is needed to further investigate the incident, the principal has the option of extending the maximum one-day out-of-school suspension available under Section 3-1 by up to two days, for a total of three days. See JK-R Section 6-4 (H). For students in ECE through 3rd grade, a 1-day out-of-school suspension is the maximum consequence that can be applied. See Policy JK-R Section 6-4 (J).

⁹ If, after being asked to leave the school campus, the student refuses, then law enforcement may be notified.

¹⁰ Note that this column refers to the actions available to the school in response to a disciplinary incident, and does not address or limit the options available to individuals who may be victims of criminal activity. See JK-R Section 3-1 for more information.
